Testimonials – Ray White Atlanta Sales & Property Management

Thanks to Simon Worthington and Sandy Moore from Ray White for a great job of helping me through my first purchase in the U.S. As a first time investor they made this a very easy process. I would highly recommend investing in the U.S market with the help of Ray White. I look forward to purchasing more in the future. - Jade Pin

I would like to say thank you to Mr Simon Worthington and his team for all his organization and help in buying two properties in Atlanta US. He has provided help with every detail of the purchases and his response to concerns or queries has been immediately dealt with and with complete satisfaction. Later I travelled to the US to meet with Simon and his team in Atlanta, inspected our properties and greatly enjoyed my time there with them. He has provided an opportunity which I probably would not have had the confidence to take without his help and I do expect the investments to be profitable and very worthwhile. - Wayne Baldwin

We now have 4 properties in Atlanta, all currently rented and being well managed by the Ray White Atlanta team. I have no hesitation in recommending a prospective US Property Investor contact Simon to discuss the opportunity to buying US Property.

About Ray White

Ray White USA

Sales & Property Management

In 2013, Andrew and Gregory Bell, together with their partners, established the first Ray White office in the United States of America, in Atlanta, Georgia.

Atlanta was chosen because of the many opportunities for foreign investors to be able to secure US investment property from abroad. The strong returns, low prices and potential for capital gains make investment properties in the United States a very attractive option for Australian investors seeking to purchase property in the United States.

We have an experienced team of property managers based in Atlanta managing our client's investment properties. The benefit of having an internationally recognised franchise looking after your investment on the other side of the world, means you can pick up the phone and speak to one of the Directors in Australia at any time.

Our company's core philosophy is that you can and should 'Be Sure' that we will maximize your property's potential in every transaction.

Ray White Surfers Paradise Group, Queensland, Australia owns and operates Ray White Atlanta.

The Ray White Surfers Paradise Group is the largest real estate agency in the entire Ray White Network, encompassing 23 office locations in the Gold Coast region, Nationally and Internationally.

The Ray White Surfers Paradise Group has a reputation for excellence in the industry. We don't just simply claim to be the best, the facts speak for themselves. They have consistently achieved the highest percentage of Top 10 sale prices paid in the markets they operate in.

They provide a wide range of property services across the Gold Coast and have four locations in Surfers Paradise, offices in Paradise Waters, Main Beach, Southport, Benowa, Upper Coomera, Hope Island, Sanctuary Cove, Yatala, Sydney, Brisbane, Asia and Atlanta USA.
